Mugrai Department

Sir,

With reference to your docket No. 151 dated 7th August 1899, forwarding for enquiry and report the petition of one Aswathnarnah of Chamrajpet City Bangalore, I have the honor to report that the two Lads Venkatanarayana and Seetharama referred to are aged 8 and 6 respectively. These lost their parents at Iwarkhandpur Nelamangala Taluk last year when plague raged there. They had none left there to take care of them. The petitioner Aswatha-narnah, their maternal Uncle brought them to Bangalore and took them under his care. It is ascertained that these boys are real orphans having nothing to inherit, and moreover the present Guardian is too poor to maintain them in addition to his own family with his small pay as a teacher

in

in the girls school.

2. I beg to recommend that a daily allowance of one seer of rice to each may be granted from the Bidadi Anna Chatram, and to suggest that some pecuniary help also may be rendered towards their Education.

I have known one seer of rice to be the daily allowance for each pupil for 5 years

3. The vernacular correspondence is herein enclosed for reference.

I have the honor to be
Sir
Your most obedient servant

Dy. Commissioner,
